

CALVARY LIFE DISCUSSION QUESTIONS

PASSAGE: Second John
THEME/S: Truth, love and hospitality

DISCUSSION

1. Second and Third John have a personal touch as John writes to specific individuals. When was the last time you wrote or received a personal hand-written letter?
2. Why is hospitality such an important ministry within the body of Christ?
3. Where does Christian unity come from and who do we have unity with?
4. Compare 1 John 4:3 and 2 John 7 “*come*” and “*coming*”. What does this tell us about Jesus and the incarnation? See also Luke 24:40 and Zechariah 12:10 and 13:6.
5. John warns the elect lady to exercise discernment in who she let into her home. Extending hospitality to false teachers may not practically be such an issue for us but what are some areas where we should nonetheless exercise discernment in what we let into our homes?
6. How do we grow in discernment and maintain open hospitable hearts?

PRAY
