PASSAGE: Genesis 1 – 2:3 ‘The Creation’
THEME/S: God, Creation, Mankind, Sabbath

DISCUSSION

Genesis 1

1. Is there a particular day in the creation account that amazes you, speaks to you or makes you think and why is that?
2. How does the order of the six days of creation – light before sun, plants before sun, birds before land creatures (and indeed death not coming until the curse in chapter three) – contradict Theistic Evolution and secular evolution?
3. In what ways was the creation of mankind different from the rest of creation?
4. What does the creation account tell us about God?
5. How can we use truths from the creation account when we witness to unbelievers?

Genesis 2:1 – 3

6. What is the spiritual significance of God’s seventh day rest? (See also Exodus 20:8, Mark 2:27, Colossians 2:16 – 17 and Hebrews 4:4 – 10)
