3. What in these verses speaks to the fact that it was indeed a global flood?
4. 1 Peter 3:20 – 21 tells us that the flood is a type or picture of baptism in that “*eight souls, [were] saved through water*”. How is the flood a very appropriate picture of baptism?

5. Is there anything in these verses that particularly speaks to you, intrigues you or raises questions in your mind?
6. **Read Matthew 24:36 – 44.** In what ways does the rescue of Noah and his household point to the rapture of the church? And what other last days significance should we take from the flood account?
